Begin the good life and escape the city and be close to the beach with this environmentally thoughtful household setup.

Imagine the satisfaction of picking your own sweet crops of salad veges, plucking luscious fresh fruits from the garden and visiting the hens laying daily .

The four bedroom home sits on an enormous private block that has a rainforest feel with the prolific growth of tree ferns and a forest canopy on the boundary.

The home design has two large verandahs front and back for sitting out with a sense of satisfaction from your self provisioning.

The art studio of the home is over 28m2 providing lots of free space to run your own creative enterprise.

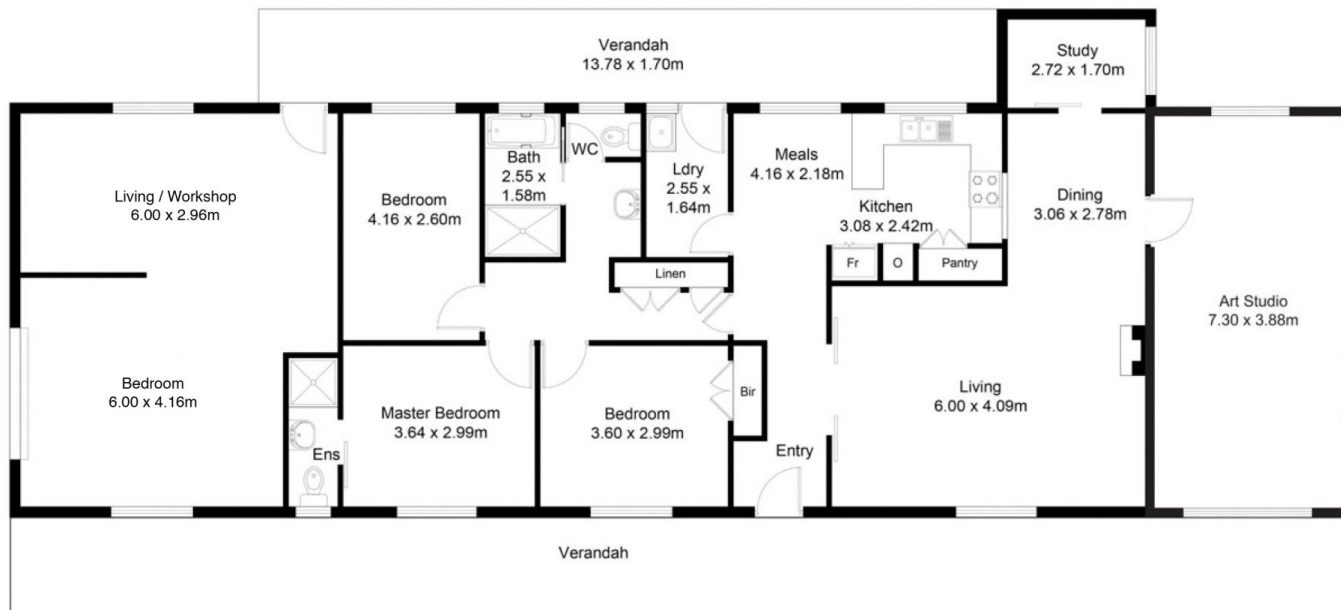

The home has a 3.5kw solar system back to the grid and 2 supplementary water tanks for the garden.

The new colourbond roof is just two years old and fully
