4 2 2

This 4 bedroom rendered brick home in a leafy cul-de-sac backing onto reserve is the perfect family home, and only a short distance from shopping centres, schools and beaches.

The open fireplace is the central hub, opening out to living room and deck. Featuring high ceilings, plenty of light and timber floors, the split level home includes a modern kitchen and dining space before flowing through to the bedrooms, bathrooms and laundry. Ideal for family living, the home also includes a study/office space and the double garage has been set up as games room or possible studio space. The lush tropical garden and lawns provides an attractive outdoor space for kids and pets.
