Set among the gum trees and a walk to the beach - this coastal retreat is a unique home lovingly created with local timbers featured throughout. Wake to birdsong and the sound of waves crashing, enjoy breakfast on the huge deck with its leafy outlook before heading to Narrawallee Beach for a surf or walk the dog on pet friendly beach.

Laze around the fire on those cooler evenings. Cook up a storm and entertain family and friends from this truly bespoke kitchen, while enjoying the leafy views. The large north facing living/dining area is where your friends and family will congregate, before spilling out to the huge elevated deck.

The high raked ceilings, and large expanse of windows offer an abundance of light, enhancing the beautiful Southern Beech floorboards. This unique coastal home
